Опис резюме

I am intelligent man, not afraid of difficulties, adore challenges, always responsible for results. As I have been working since I was 17 years old, I have quite a lot of experience in several fields. I have led many projects so I know how to develop team and optimize individual work. I never stop learning. I am a reformed perfectionist and this is my advantage and disadvantage at the same time. I am a great team player who rarely takes credit and feels most satisfied when those around me develop.
